Dear Chairman Abney and Members of the House Committee on Finance,

I am writing to request that you please support Bill H5696, An Act Authorizing the Town of South Kingstown to Issue and Not to Exceed \$85,000,000 General Obligation Bonds to support the repair and renovation to our public school buildings. After many decades of deferred maintenance, authorization of this Bond will allow the residents of South Kingstown to voice their vote on a matter that has the potential to create safe, warm, dry, and modern schools for our students and teachers.

Thank you for your time and attention,

Board of Directors, Friends of South Kingstown Schools
